MEDIA RELEASE OPT OUT FORM

In this digital age the church takes many pictures of baptisms, worship services, special events, activities, Sunday school, youth groups, etc. We use these pictures to record, promote, and celebrate our church ministry through many different venues including, but not limited to, our church website, slide shows, publications, etc. We understand that some people may choose not to have their photos used, and we want to respect their wishes. Therefore, we have provided an "Opt Out Form" for those individuals or families who may prefer NOT to have photographs of themselves used by the church. The form is located on our website at www.newhopegr.org under the Member Resources tab, or you may obtain a form from the church office.

"What was life like on a slave ship? For the ship's crew... for the slaves? On display in the Library here at New Hope is a miniature replica of the Amistad Slave Ship. The replica, owned and organized by Jean Pitmon vividly depicts the horrific and debilitating conditions on a Trans-Atlantic slave ship. On display throughout the month of February, so stop in and check it out!"
